

TEAP CBT サンプル問題集 音声スクリプト

Speaking Section

Part 1 質疑応答課題

Do you often use the school library and why?

Part 4 アドバイス課題

Today, I will talk about deforestation and its effects on gorillas.

Deforestation is causing severe problems for gorillas and the places where they live. They are losing their natural habitat and are having difficulty reproducing. We should do something to help save gorillas from being critically endangered.
